

Regional Engineers & Scientists of Cincinnati
Membership Application
Complete On-Screen & Print
Press Button to Print

The qualification for membership is "A member shall be an engineer, scientist, or individual who qualifies by virtue of education, license, interest, or vocation."

The membership dues are a modest \$15.00/year for the October to May season, due in October of each year and \$7.50 after January. Those who participate in golf activities will pay course fees in addition to an annual fee of \$5.00 to fund the prizes. Checks shall be payable to "RESOC" and mailed to or delivered to the Treasurer at the October meeting. Eligibility for all events is limited to members and sponsored guests.

Photo/Video/Audio Policy: RESOC recording staff as designated by the presiding officer may take photos/video/audio recordings at our activities. Selected recorded material may be used in our newsletter, and/or web site, and/or may be made available to the public as promotional issuance. Attendance constitutes acceptance of this policy. Members are encouraged to advise their guests of this policy prior to the activity. Requests to be excluded from recording must be communicated personally at the event to RESOC recording staff
